Knoxville, Tn

## EDUCATION

---

UNIVERSITY OF TENNESSEE, KNOXVILLE

8/2014–5/2018

Bachelors in Computer Science with a minor in Cyber Security

Relevant Courses include: Applied Cryptography, Computer Security,  
Cyber-Physical Systems Security, Network Security, Digital Archeology, Systems  
Programming

## WORK EXPERIENCE

---

FOOD DONATION CONNECTION LLC

5/2017–7/2017

Software Development Intern

- Created an internal site using Node.js, Bootstrap and Docker that employees could use to access database information for clients
- Created and maintained software to read in large data files and parse them to a format for database entry
- Used Scrum to manage work with the other developers

UTK, OFFICE OF INFORMATION TECHNOLOGY

10/2014–PRESENT

Lab Manager

- Installed and maintained computers, scanners, printers and other lab related devices
- Assisted Systems Group with Windows build changes including installing, testing and troubleshooting

FREELANCE PROGRAMMING

Scraped and parsed over 100,000 earnings call transcripts from the web and stored them in a mySQL database for a UTK professor to analyze
